

1. Select **Social** under the **Get Started** drop down.

2. Review the available social posts. There are up to three content categories (Copiers & Printers, Dynabook, and Pro AV) to select. Click **Post** on the one you want to use.

Dynabook - Essential Tech ★

Message:

Whether you're working from the office or your desk at home, a laptop is an essential piece of technology to get the job done. Invest in a business-grade Dynabook model to stay productive, efficient, and ready to tackle any task, wherever you work.
